

Our 2018 Presidential Resignation Agreement for Donald Trump

In order to bring our grim national ordeal to a controlled and near-term end, the following Presidential Resignation Agreement is humbly presented to my fellow Americans, the 535 members of the US Congress, and to the President of the United States.

By an Act of the United States Congress,

the following Presidential Resignation Agreement (Agreement) is made between President Donald J. Trump (President) and the People of the United States of America.

1. The President will officially resign from his office in order to activate this Agreement. Immediately thereafter, as Vice President Michael R. Pence will be sworn in as the 46st President of the United States.
2. Under this Agreement, President Donald J. Trump, his daughter Ivanka, two (2) adult sons Eric and Donald, Jr., his son-in-law Jered Kushner, and longtime lawyer Michael Cohen are hereby granted total and complete immunity from all criminal and civil prosecutions.
3. Whether or not, such total immunity will be granted to any other person(s) under this Agreement will be determined by the US Congress.

Love it or hate it, and all things considered my fellow Americans, this Agreement offers a prudent and practical resolution to our growing crisis in national leadership.

Objectively analyzed folks and regardless of the final outcome of the legal issues surrounding his political and personal activities – our nation, our Democracy, our society, and our leadership position in the world cannot long endure the unending chaos and general incompetence that is the Trump presidency.

President Trump often boasts of his deal-making. This would be the greatest deal of his life.

Now, only time will tell if the US Congress, and specifically the Republican Party that today controls both the US House and Senate will honor their oaths of office. If they and the Democrats will demonstrate the political guts. To protect and defend We the People against all threats both foreign and domestic...
